Wine Club members receive three bottles of wine, shipped four times a year, in February, May, September, and November. Each shipment will cost between \$50 and \$70, with an additional shipping charge, plus tax. We will charge your credit card during the first week of the shipment month. You may pick up your shipment and not pay shipping charges if you indicated so on this form or notify us at least one week in advance of the shipment. Shipment dates will be posted to our Website. Please remember, this is a one-year subscription and you are authorizing us to charge your credit card four times over the next year as indicated above. Subscriptions automatically renew; please notify us if you wish to cancel your subscription after the year has expired.

By signing this form you agree to the terms listed above.
